RENEWAL OF CLAIMS OF INSECT DAMAGES

veloped a downward tendency up to within on a general buying movement, and closed at about the top of the day's range. Re-newed claims of damage by insens to the winter wheat caused a change in seni-ment. July opened 1-4 to 3-8 tower, at 1457-86775, declined to 743-4, advanced to 757-8 and closed with buyers at 753-4 6775.8

Chicago received 44 cars. Minneapolis ester-day's and Duluth got 662. Primary Western market receibts were 652,000 bushels, against 596,000 a year ago. Atlantic port 5.85-85 clearances were equal in wheat and hour 5.85-85 in 442,000 bushels. World's shipments to 5.85-85 burder for the week estimated at 8,000,000 5.85-95 burders.

No cash business was reported.

5:91-92
Corn declined on reports of increased 5:93-93
ceipts heavy, 441 cars. Cash demand, dull.

Cats were weak. Cash demand, fair.

Receipts, 579 cars. Beccipts, 579 cars.

Buying by packers, induced by an improved shipping demand and higher prices for hogs, strengthened provisions.

Estimated receipts for Monday: Wheat, 75, corn. 625; oats, 57 cars; hogs, 42,000

There was quite a large supply of East
Texas fruit on the market yesterday, and
prices were lower. Fancy peaches sold at
55,200 per peck box; choice at 50,665c
and common at 45c. Four basket crates
brought \$1.106,150. Plums sold for 354
50c per peck.

The market for duture California can
ned fruits seems to be in an unsettled
condition. Prices were made by quite a
number of canners, but have since been
withdrawn, due to the fact that growers
advanced prices on the green fruit.

CITRON—In 10-lb boxes co stocks, the New York municipal stocks, CANNED FRUITS AND VEGETABLES.
CANNED FRUITS—Apples. 3-ib 80858; pincapples, 2-ib, eyeless and coreless, \$1.50g time. Provided \$1.50; pears. 2-ib standard \$60; pincapples, 2-ib standard \$ round. Erie first preferred shared in the advantage. The rise in the stocks was carried to other railroad stocks and checked the decline in specialties, short cavering causing railies of between one and two points. The failure of the market to show any marked response to the bank statement induced a fresh rail by the bears, which carried Sugar down to 145, an extreme decline from yesterday's close of 9.1-2 points. The market advantage.

London Financial.

New York, May 77.—The Commercial Advertiser's London functive here today, but the general tone was favorable, though investment securities were dull on continued apprehension of dearer money. Americans were the favorable of the statement induced a fresh raid by the bears, which carried Sugar down to 145, an extreme decline from yesterday's close of 9.1-2 points.

> ing the fate of the coming crops comes around, speculation in stocks by the outside public proverbially falls to a miniside public proverbially falls to a minimum and the stock market is left to the professional room traders. The very fact of outside neglect of the market deprives it of support so that the professionals are almost invariably bears in a dull stock market and buils in a dull wheat market in accordance with the possibilities of erep failure in the two markets. That has been the state of effairs during the FRUITS.

WHIR AND NAILS.

Gaivanined Globe Roberts and Color and

tien church at Windsor, Mo. will occupy the pulpit at the Christian church next Sunday.

The Sesame Literary Circle will hold an open session at the residence of Mrs. D. K. Woodward next Tuesday afternoon. An effort is being made to raise a party of ten to attend the Texas-Colorado Chautanqua, which opens in Boulder, Col. July 4. Quite a number are entertaining the idea of going, but have not yet fully decided.

An examination will be held on lune 15 and 16 of applicants for the three vacanness in the Taylor schools.

A State normal school will be taught here beginning June 19 and continuing until July 27
